WHO WE ARE

We are a Zimbabwe based engineering firm that specializes in Air conditioning, Refrigeration, Plumbing, Electrical Engineering and General Building Maintenance. Our focus is to provide the best products and services to corporates, households, government parastatals as well as organizations of any nature and size.

We've experienced tremendous growth since our founding date, mainly because we gave ourselves a mandate to provide long-lasting, trust worthy and valuable solutions all to deliver quality to our clientele. We have worked on a number of projects in Africa, and our market is not getting any smaller but ever expanding at an encouraging rate.

With an unparalleled history of developing complex projects across Africa, Our success is built on long-standing relationships that require an unwavering focus on operational excellence and client engagement to deliver the best solution ”

MISSION STATEMENT

"To provide responsive, safe, long-lasting and trusted solutions to our clients with the highest-quality, most dependable, cost-effective engineering"

VISION

"To build trusted relationships and serve our clients through integrity, honesty, hard work and accountability in a collaborative, solution-oriented environment focused on providing the right solution instead of the easy solution, in the most efficient and cost-effective way possible"

CORE VALUES

INTEGRITY

We do the right thing always

ACCOUNTABILITY

We take responsibility for individual and collective actions
Image

EXCELLENCE

We continually strive to exceed the expectations of our clients

VALUE CREATION

we commit to provide a positive return on investment for each engagement.

OUR PROMISE

OUR CULTURE

We are committed to all social responsibilities as part of our overall existence. We will conduct our business in an ethical and professional manner with our commitment on protecting our customers, vendors and employees.

OUR CUSTOMERS

We will provide premium services with novel solutions that will increase proficiency and maximize efficiencies.

OUR PARTNERS

To all our business partners that are vital to our success, we will work together with our customers and environment in mind. We will have constant reviews to seek out areas of opportunity that will benefit all.

OUR EMPLOYEES

We are committed to providing an ethical and diverse environment for our main asset, our team. We will continue to recruit and attract top talent in our industry and allow our employees to grow and develop their careers.

OUR SERVICES

We highly value our clients' needs for safe, reliable, and operationally efficient designs through cost-effective engineering and construction management services in a responsive, dynamic, and efficient way. Our Principals have built their careers understanding this truth and developed confidence and trusted, long-lasting relationships within the industry by conducting our business with integrity, honesty, and hard work.
